Sponsorship Opportunities

The Pennsylvania Black Conference on Higher Education, Inc. (PBCOHE) is an organization made up of African Americans, other underrepresented professionals and people who support the PBCOHE vision from the public and private sector, education, business, social services, law, and government agencies that have a deep commitment to improving and ensuring the education of underrepresented students.

PBCOHE focuses on key issues affecting the future of higher education in Pennsylvania and provides input to the various sectors of government, education and community leaders that impact the lives of underrepresented groups at Pennsylvania colleges and universities.

In addition to advocating for policies and issues in higher education, PBCOHE provides support and professional development opportunities through its scholarship program, the annual conference, the Robert D. Lynch Student Leadership Development Institute (SLDI), the Institute for Educational Management and Leadership (IEMML), and the Pennsylvania Black Conference on Higher Education Journal.
